Washington DC DESTINED to GO UP IN FLAMES By NWO!

The terrifying truth as revealed to me personally by a USAF insider

By Pamela Rae Schuffert presenting investigative journalism from a Biblical Christian perspective-

www.AmericanHolocaustComing.blogspot.com

No one can ever know the deep internal burden I bear regarding this kind of heavy information I have painstakingly uncovered throughout the years. This morning I woke up around 4 A.M. and could not get back to sleep. I climbed out of bed, made some hot oatmeal, and spent the early morning praying for our nation and against the coming holocaust of the innocents at the hands of NWO madmen and murderers.

I thought about all my years of research had uncovered. And then I began to ponder over recent information coming in from all across America.

Reports of rogue Russian troops and Spetsnaz appearing in so many locations...evidence of troop movements...heavy military equipment convoys reported moving across America...huge armored HOMELAND SECURITY vehicles being transported and prepositioned across the nation...Washington DC governing elite now vacating DC ...*and so much more.*

My readers know that I have long reported that FOREIGN TROOPS will be used to do the dirty work against the American people that our own troops will be reluctant to perform against fellow Americans under martial law.

One reader sent me an email asking me if something were about to come down. I let her know that it

certainly appears so!

By now so many Americans have become informed of the general NWO agenda for "Amerika", to deliberately trigger martial law during the election year to stop the elections, *WHEN* their NWO puppet President is firmly in place, so that they may thereby lock him into power as DICTATOR FOR LIFE under martial law and THE NWO TAKEOVER OF AMERICA!

Many conspiracy theory researchers and commentators certainly admit that this SEEMS to be exactly what is being prepared to come down soon!

I was given further insight into this, through an actual USAF insider, following a broadcast in Rapid City, SD, when I hosted my own DEFENDERS OF LIBERTY broadcast in 1999.

After having broadcast live over a public phone in a public facility, I was approached by a man who had overheard my broadcast.

"I just heard your broadcast, and because of what you were talking about, I am going to give you information I was told by my father to NEVER REPEAT. My father is an USAF NATO general working over in Europe for the NWO agenda. He told me that Ellsworth AFB lied to the public, when they told them that the MISSILES HAD BEEN REMOVED FROM THE UNDERGROUND SILOS here in Ellsworth."

Ellsworth AFB is right outside Rapid City, SD. I had even attended USAF church there several times.

"He admitted that those missiles had been secretly diverted by NATO sources from EXTERNAL TARGETS outside America, now to INTERNAL TARGETS for a NWO/martial law agenda..."

I informed this contact, who would only give me his admitted code name of BRAVO 6, that I already knew about this outrageous hidden agenda to divert many of our own missiles now to internal targets within the CONUS (continental United States.)

AL CUPPETT (www.ALCUPPETT.com) my long term Pentagon info source and friend, had already confirmed this to me personally, as revealed to him by a military general, who was visibly angered over this shocking discovery as he discussed it one day with Al.

Al informed me that one day a general came to him, angry and sputtering, complaining to him about what he had discovered about our own missiles in some cases being redirected towards internal targets, all tied in with false flag/disaster with the intent of a martial law scenario being triggered.

"I believe you, " I said. "Now tell me...where have these missiles from Ellsworth been aimed at?"

He named four locations.

"Washington, DC; Omaha, NE (home to Offutt AFB); Cheyenne Mountain, Colorado Springs, CO; and Rapid City, SD."

The fact that Washington DC was named as one of the targets, perfectly confirmed what I had heard repeatedly from NWO insiders: that Washington DC was destined to go up in smoke and flames to bring an end to the OLD order of what was once our nation's Capitol, and that the NEW Capitol of America under martial law and the NEW WORLD ORDER was destined to be DENVER, COLORADO.

I had also received word that the CIA had been quietly relocating their offices from

McLean, VA in the DC area, to DENVER. Other government functions were doing so quietly as well. Still other government offices were relocating 50 miles or more outside Washington DC.

DENVER, COLORADO

And NOW, we have reports of Congress vacating prematurely during this election year, and reports of strange activities centered around the underground base MOUNT WEATHER, VIRGINIA, a place of safety for VIP's and government elite in the case of national emergency or martial law, and so much more happening across the nation.

The question on the lips and minds of millions of discerning and researching Americans is, IS A MAJOR CATASTROPHE AND RADICAL CHANGE ABOUT TO HAPPEN IN OUR NATION???

For me, because of 18 years of researching this subject in depth, I believe that the answer is clear and unmistakable. This is why I simply could not sleep this morning and took the time to *PRAY-PRAY-PRAY* and stand on God's word for hope and miracles on behalf of our nation and for God's elect in this desperate hour.

Christians in America, are you fasting and praying and preparing???. Those who faithfully seek God in this hour, and who choose to abide in His Son Jesus Christ, will certainly find the peace and confidence and reassurance necessary to successfully face America's coming times of unfolding crisis.

**"GOD IS OUR
REFUGE AND STRENGTH,
A VERY PRESENT HELP
IN TIME OF TROUBLE."
~Psalm 46:1~**

-Pamela Rae Schuffert

Postscript-Please note that this was revealed to me in 1999. The man who revealed this to me was with the Air National Guard there, and his father was a NATO general with the USAF. His information was true at that time.

However, the plans of the NWO are fluid and mobile. They can change as time goes on. Missiles may have eventually been moved out of Ellsworth AFB in the years since he gave me this information, or they may not have been.

But there are many other active OR closed military bases with missile silos that can be used as well, and the military is NOT going to reveal to America their dark plans and false flag scenarios.

The fact remains that Washington DC has been targeted by the NWO to be taken out, DENVER has already been designated the new Capitol of America under the NWO/martial law for it's military facilities and central location, and the fact remains as revealed by military insiders that OUR OWN MISSILES in some bases have been diverted to internal targets by NATO instruction and NWO planners, for false

flag attacks designed to indeed bring America under martial law through "disasters" later to be blamed on "AL-CIA-duh" or "Muslim terrorists" etc. It's any one's guess at this point.-Pamela Rae Schuffert

There is no doubt that the devil and his cronies are up to no good this we who believe know that is true, but whether or not this info. is credible or not, what does it matter? If your heart has been renewed and we are declared by Him to be His righteousness, His plans for us are good, good, good and for those who are not His, then all we need to do is preach Jesus til He returns.

These "are" the very last days folks, the time has come, this is no ferry tale, and if you did not believe it before you better believe it now cause whether the White House is gonna be bombed by our own forces and re- located to Denver Co. or not it does not matter. Do you have a right relationship with Christ or not, are you sold out to Him? Cause that is "all" that matters now or later. Mankind has snubbed their nose at our creator for too long now and His patience is at an end, The U.S. will soon face His judgements and wrath as never before. If your nor ready you better do it now cause you ain't got much longer. If you are ready you better get "the word out" to others quick as you can cause they ain't got much longer either.

The Church in America needs to seriously awaken from her drowsy slumber. What has happened to Israel in Biblical Times will happen to America. Jonathan Cahn's "ISAIAH 9:10" is ON TARGET. But, as Pamela has revealed to us earlier, through her friend All Cuppett, that, God the Father "YAHUVEH" has told their mutual friend, after he had been fasting and praying for America regularly for a long time, that, for America "It is finished." There is no going back to 'Baseball and Apple Pie America.' Her days of GOD-Blessed-Prosperity are OVER. It is now a matter of individual soul-Salvation and the striving of GOD's people to walk in Love, Obedience and Holiness before HIM. The King of kings "YAHUSHUA" (Hebrew Name of "JESUS CHRIST") is soon to rapture His Bride and to return to Earth after the short-reign of the "false Jesus" the Anti-Christ. During the Great Tribulation it will literally be Hell on Earth, as the presence of Satan and his demons will literally engulf this Planet, by GOD's Decree of Judgment. Today is the day of Salvation. Choose ye, this day, Whom ye shall serve.

"They" Hacked Into My Computer And SHUT IT DOWN After I Published THIS REPORT

By Pamela Rae Schuffert presenting investigative journalism from a Biblical Christian perspective-

www.AmericanHolocaustComing.blogspot.com

I have learned through years of journalism, that you can *KNOW* your info is accurate, when GOV/MIL retaliation strikes immediately afterwards. *And only recently it did!*

The very night I published my report about **internal missiles from our bases secretly re-directed at Washington DC and other internal targets for a martial law agenda**, what must have been government retaliation with the intent of stopping my reporting actually happened.

(See report here: <http://www.americanholocaustcoming.blogspot.com/2012/09/washington-dc-destined-to-go-up-in.html>)

I posted that report on my blog, sent it to some email recipients, and posted it on www.BeforeItsNews.com. And later that evening, I carefully shut down the laptop I have been using for reporting since I have been here, and finally went to bed.

Jumping out of bed the next morning, I rushed to the computer to turn it on to see what intel reports from across the nation had come in, and discovered that *THE COMPUTER WAS COMPLETELY DEAD...fried...history!* The computer was working fine the night before, and was a relatively new computer. I realized that it had been hacked into and terminated.

How many of you realize that the government/military/intelligence have the power to do this whenever and wherever they want to??? I discovered that a long time ago, when they fried my friend ED PACK's computer after he got too smart, knew too much and talked too much. (He had actually warned me about the OKC BOMBING 3 months BEFORE it happened, thanks to White House insiders he had links with and later shared details with me. he had also been at WACO, filming it live as it happened.) They created a power surge aimed at his home only, and fried all his electronics equipment and his computer especially.

One friend of mine, Sharon, lost her NEW computer after she let me use it at her home to type reports with info exposing the NWO agenda. They created a power surge and blew out her modem, and she had to use her warranty to get her new computer modem fully replaced...and refused to let me use her computer ever since! She knew clearly what had happened...especially when her home was buzzed by two black military helicopters every single night for a month, after I used her computer to post sensitive information.

They have super technology now that doesn't even have to use power surges, and can permanently turn off your cell phone or computers, etc.

I realized that I may be on to something very BIG about disaster planned by NWO forces to come to WASHINGTON DC. Not only did they fry my computer the night after I reported on the potential for missiles from our own bases to hit DC for a false flag/martial law disaster (and other cities as well) but *NOW* various websites are carrying reports of strange activities at MOUNT WEATHER, VA, hideout for the Washington DC elites in case of nuclear threat, etc.

And www.BeforeItsNews.com is now reporting that **OBAMA's WHITE HOUSE SCHEDULE IS NOW EMPTY**...and certain other elites are even canceling their speaking engagements now...and people are wondering whether **A BIG FALSE FLAG DISASTER IS ABOUT TO COME DOWN**, including in Washington DC, for a **"SHOCK-TOBER" MARTIAL LAW TAKEOVER PRIOR TO ELECTIONS!!!**

I have been praying intently all day long now, for God Himself to restrain their NWO agenda insanity.

Thankfully, I have access to other computers and I have not missed a day of reporting since the night they killed my donated laptop.

The Bible warns us Christians to **WATCH and PRAY.**

Well, if ever there was a time in America for Christians to do so, **IT IS NOW! PRAYER CAN HOLD BACK SUCH PLANNED HORRORS!**

I have been praying hourly for God to cancel out NWO disasters (false flags) for the sake of His elect and so many innocent victims, in His great mercy. Many of us suspect they want to deliberately disrupt the elections by false flag disasters, in order to trigger martial law, and lock OBAMA INTO POWER.

You must pray, too. My reports are published with the intent of raising up millions of prayer warriors across America, who can intercede for our nation and help turn back the plans of the ungodly for our nation in this critical hour.

Thank you for sharing this information. to hear you put all these stories I've heard for the past few weeks together in one article and then add your information to it makes more sense for me. I'm so sorry. I too shall pray and pray and pray. I wondered why I got the message I did from Jesus last night.

Please if you or anyone should write or talk more, please help the poor to understand what they might need to do to protect themselves. I think of them needing their medicines and what they should do just to fill their basic needs for a few days, worries me. But first I shall pray. Jesus will be heard. Which can mean that there can be large volumes of angels involved. They shall blow their trumpets and make their sound. We know of earthquakes but when the heavens sound and the atmosphere quake when they are present, even those who would do such a thing shall be denied.

And finally, play the sounds and the songs of the lord. Let them fill the air starting now.

Ok, a major B.S. flag just went up on this story concerning the ICBM,s at Ellsworth. Now I don't know where they are now, but they sure aren't missiles in silos around South Dakota! People, I've stood on top of the things! There's nothing but a fence around dirt now, and some are used for

hay corrals. The LCF's (Launch Control Facility's) are empty for the most part, some private citizens hold, and one at Juliet Flight is now a Bed and Breakfast! Want to see? Go look! You can tour the place.

And consider if Rapid City was targeted? What about Ellsworth itself a few miles away? Baloney. I don't know who these people are who told her this stuff, but it's a bunch of lies.

Thank you Stifle Yourself. I say it is pure crap. We were stationed there for three years. Rapid city is of no strategic importance, so why point a missile at a small city of 65,000. There are other questions which need answering

Such as:

a bit of a coincidence that the underground bunkers at DC have been left unused and new bunkers elsewhere have been constructed

Of course – there are those dreams that many people have had of Washington DC under a hundred feet of water...

Then there is the expected collapse of the Madrid fault – this is likely to happen if the Canary Island lets go (and sends that hundred feet of water over Washington)

So...I am not certain that the field is clear!

This article is strictly CRAP.

There's no reason for a missile to be aimed at Rapid City. At D.C. I can understand, but Rapid City? That's ludicrous. We were stationed at Ellsworth for three years, and lived in Rapid City. That city is of no strategic important what so ever.
